With Confidence for 22 Years...

Experience and unconditional customer satisfaction is the focus of our business. As Atik Machine, we have been focusing on customer satisfaction with our business experiences since the day we were founded. We are always progressing by increasing the quality of the products we have developed in accordance with all innovations in the plastic packaging industry. We provide spare parts to plastic bag production facilities by constantly producing and developing in order to become a global leader. With our experienced expert staff, we strive to produce solutions suitable for the demands of our customers with our research and development, production and development studies, as well as maintenance, revision and technical services. Our company always stands by our customers with a wide range of services and products in the field of spare parts equipment for plastic bag machines.

22 Yıllık Tecrübemizle Güvenle...

Tecrübe ve Koşulsuz Müşteri memnuniyeti işimizin odak noktasıdır. Atik Makina olarak kurulduğumuz günden bu yana iş deneyimlerimizle müşteri memnuniyetini odak noktası alıyoruz. Plastik ambalaj sektöründeki tüm yeniliklere uygun olarak geliştirdiğimiz ürünlerin kalitesini daima artırarak ilerlemekteyiz. Global anlamda lider firma olmak amacıyla sürekli üreterek ve gelişerek Plastik poşet üretim tesislerine yedek parça temininde bulunuyoruz. Deneyimli uzman kadromuzla sektörümüz için Ar-ge ve Ür-ge çalışmalarının yanında bakım, revizyon ve teknik servis hizmetlerimizle müşterilerimizin taleplerine uygun çözümler üretme gayretindeyiz. Firmamız plastik poşet makinalarının yedek parça ekipmanları alanında geniş kapsamlı hizmet ve ürün yelpazesi ile müşterilerimizin her zaman yanındadır.
